

2019 Conference Session Suggestions

Climate Change	Uneven Growth	Technology
<p><i>OPPI is open to exploring any of the areas listed below on all scales: urban, suburban, rural and/or northern and the jurying committee will strive to ensure a balance of sessions of each scale is achieved.</i></p>		
<ul style="list-style-type: none"> • Examples of local climate change adaptation policies/implementation • Professional perspectives on climate change: PEO, OALA, OAA, Public Health organizations <ul style="list-style-type: none"> ◦ Where is the intersection and do we understand what others are doing? • Carbon pricing • Financial tools for climate change • Limitations of property tax tools • “perverse subsidies” • What is carbon pricing and how does it work? • Storm water management fees • Resources for community risk • Research perspectives: climate change and planning 	<ul style="list-style-type: none"> • Strategies for inter-municipal collaboration • The driving forces behind even growth • Tools that can be employed to address issues of uneven growth • What uneven growth looks like in an urban/suburban/rural/northern context 	<ul style="list-style-type: none"> • Technology demonstrations by planners to share how tech is/will be used by planners • Personal data in “smart” communities; what is collected, what is shared, and with whom? • High-tech: big fears, societal impacts and planning • Technology and planning ethics • Carbon footprints and technology • Access to planning data/open data for planners

2019 Conference Mobile Workshop Suggestions

Mobile workshops are not constrained to the themes of our 2019 Conference. Instead, they are meant to showcase the best in planning within the host community. Potential presenters are asked to consider mobile workshops close by, and ideally no longer than half a day. Here are a few suggestions, but please feel free to submit your own ideas!

- Trillium Park - Indigenous design involvement - Mississaugas of the New Credit First Nation
- Artscape - Gibraltar (or another Artscape site)
- Vaughan subway extension/station tours
- Lakeshore bicycle path (high-use issues)
- Distillery District tour
- King-Spadina heritage conservation district
- Port lands tour
- Regent Park tour
- Bentway Tour
